Masonry - Pavers - Mortarless Walls - Rebar

## AB Installer Certification Course

This course will cover the principles of proper Allan Block Segmental Retaining Wall (SRW) installation.

### Requirements for Certification:

- Possess a valid contractor's license
- Pass a written exam
- Build an Allan Block retaining wall project utilizing proper wall building techniques. An Air Vol Representative will inspect completed wall.

Air Vol Block will be conducting an *AB Installer Certification Course* on Saturday, **MARCH 11, 2017** at Air Vol Block in San Luis Obispo. Class will start at 8:00 am and conclude at approximately 12:00 pm. Lunch will be provided as well as coffee and donuts in the morning.

This class is offered free, and is limited to the ***first 20 contractors*** who register by March 3rd.

***Please return your application today to secure your spot!***

The certification course will be conducted at Air Vol Block in the back office building. The front gate will be opened at 7:45 am for admission to the course.

*Allan Block Mortarless Retaining  
Wall Systems.*

A wealth of information, including the design manual and installation guide, is available from our website at: [www.airvolblock.com](http://www.airvolblock.com)
