

# ROMAN

Our Roman Pavers provide unlimited design possibilities as you can mix and match the four sizes and the many color options to create a truly one-of-a-kind design!

Thickness: Stocked in 60 mm. 80 mm available by special-order.

Our traditional Roman has the smooth pillow-top texture, but we can also make the Roman Pavers with a Slate-top or Tumbled Slate-top texture. Please call our Sales Department for pricing and availability of Slate-top textured Roman pavers.
