

OLD WORLD COBBLE

Smooth Side Up Brown/Charcoal Blend

Our unique Old World Cobble is a mixture of seven irregular shapes which are tumbled to replicate the weathered appearance of genuine European stone pavers. Approximate size ranges from 2" x 4" to 4" x 6". Each Old World paver has a smooth side and a textured side. This paver style can be installed with either all the smooth surfaces facing up or all of the textured surfaces facing up.

Thickness: Stocked in 60 mm. 80 mm available by special order.
Packaging for 60 mm: 96 sq. ft. per pallet. 80 mm: 70 sq. ft. per pallet.

This shape is not recommended for use in vehicular traffic areas. Polymeric Sand is recommended for use with Old World Cobble.

Colors Stock color selection subject to change. Be sure to view actual product samples prior to ordering!
The samples below show the smooth side facing up.
